

OFFICIAL LAUNCH of ICT GOZO MALTA PROJECT

We are pleased to announce that the ICT Gozo Malta Project will be formally launched by the Hon. Giovanna Debono, Minister for Gozo. Other speakers include the Hon. Jason Azzopardi, Parliamentary Secretary - Ministry of Finance, Mr Claudio Grech, Chairman MITA, and others. The event will be followed by some light refreshments.

Date: 5th AUGUST 2011 at 11:00 am
Location: The CALYPSO HOTEL, Marsalforn, GOZO

Businesses, Banks, ICT companies, ICT Educationalists, ICT Graduates and ICT students are welcome and encouraged to attend. We strongly encourage anyone working in Information and Communications Technology (ICT), to attend the launch event and learn what this project is about and what it may mean for you, for Gozo and Malta. You will also get to meet members of the Project team and can register to be included on progress and future updates.

ICT Gozo Malta – What is it?

The ICTGM projects seek to attract inward investment for Innovation and development in Gozo, and also Malta, leading to the creation of new jobs and opportunities in Gozo and Malta, as well as the development and enhancement of new skills and specialisations which can contribute to the Government aim of Malta becoming an ICT Regional Hub of excellence in Europe and beyond.

GOZO
Project part-financed by the Government of Malta through the Ministry for Gozo
www.mfg.gov.mt

The purpose of the project portal ICTGOZOMALTA.EU is to create a one-stop shop for Innovation, Research & Development, Collaboration (local and International) and Investment.

ICTGM has participation and support from Government and key Agencies, including Malta Information and Technology Agency, the MCA, Malta Council for Science and Technology and educational establishments including

MCAST to further the project towards its longer term objectives.

To find out more join us for the launch and learn how you can also contribute to the realisation of the longer term potential this project aims for, from enhanced networking through to the creation of new jobs, and the potential to grow a new ICT Industry in Gozo and Malta with Projects with both international and global potential.

Please call the GBC on +356 2155 0305 or email gbc@ictgozomalta.eu for details and RSVP if you will be attending.

For further details on the Project contact David Pace on +356 7963 0221 or email dave.pace@ictgozomalta.eu.

The ICTGM office, based at the GBC is open from 9am-1pm on Tuesdays and Thursdays, or by appointment.

David Pace,
ICTGM Project Manager
